## Translations done right, on-time and at the right cost.

TransACT hand-picked Language Line® Translation Services to provide translations to its customers, based on a nationwide search for the best of the best. Send us your parent letters, notices, calendars, handbooks and forms, and you will get the translation project done right, the first time, on-time... and on budget.

### Quick Facts

- Language Line® Translation Services is one of the largest language service providers (LSPs) in the world with more than 4,500 full-time employees and 5,000 linguists
- Language Line manages their own project management, localization engineering, desktop publishing and quality assurance
- They use full-time, accredited professional linguists
- Their standard linguistic process includes **three distinct linguistic steps, each performed by a separate linguist**; most other firms perform only two
- They can localize all types of materials, in all mediums, on all platforms
- With more than 20,000 copies now in circulation, their award-winning book, *The Guide to Translation and Localization*, is widely recognized as the definitive source of information for companies considering localization
