“EduPortal® Paperless Board Meetings has made life easier - not only for staff who prepare the agenda, but for our board and stakeholders who view the finished product. Agendas and back up documents are prepared with ease in less than half the time spent preparing printed agendas...and nearly five times less the cost! At a time when resources for school districts are stark, TransACT helped us find a way to save money while providing an outstanding product coupled with outstanding service. Thank you, TransACT, your Paperless Board Meetings services make us look good!”

“The customer care and service received by TransACT staff has been top notch. They listen carefully and work as a team to resolve issues quickly. They are open to new suggestions and treat requests respectfully and thoroughly. We give TransACT an A+!”

– Jodi Runyon, Executive Assistant to the Superintendent

Marysville School District in Northwest Washington has a five member board. The Board typically meets two to three times per month. Prior to using EduPortal® Paperless Board Meetings, it could take days to compile, create and distribute the board agendas and supporting documents for each board meeting. By using EduPortal, Marysville has reduced the time spent preparing for board meetings by half and reduced the amount of board packets that were printed from 75 to just a few per meeting, saving the district over \$12,900 per year.

 - Budget Meetings: 4 per year
-

North Marion School District in North Western Oregon has a seven member board. The Board typically meets twice per month. Prior to using EduPortal® Paperless Board Meetings, it could take days to compile, create and distribute the board agendas and supporting documents for each board meeting. By using EduPortal, North Marion has reduced the time spent preparing for board meetings by eight hours or more per meeting and reduced the amount of board packets that were printed from 35 down just a few per meeting, saving the district \$1000's per year.

"Going paperless was an easy choice for us for so many reasons – time savings, cost savings, reduction of paper waste, ease of agenda modifications, but the unexpected benefit was the positive reaction from staff and our public who have access to so much more information. In this day and age of government transparency and accountability, using EduPortal's paperless meeting products made us look good in the eyes of our public."

– Diane Laubsch, Executive Assistant to the Superintendent

"Our final decision to go with EduPortal instead of another vender was all about their terrific service. They provided quick and accurate information to us as we learned the system and even made product changes based on our suggestions. We are very pleased with the relationship we have built with the EduPortal Team."

– Boyd Keyser, Superintendent

- Work Sessions: 12 per year
- Schools: 20
- Regular Business Meetings: 12 per year
- Other Meetings: 60+ per year

"EduPortal has exceeded our expectations.

Our decision to implement paperless meetings through TransACT® EduPortal® was the result of detailed research and extensive vendor review. We found that TransACT offered the most cost-efficient and user-friendly platform for document preparation and processing, with an end product that provided the greatest ease of navigation during the meeting process.

TransACT customer service is exceptional, providing well-organized and customized training that supported a seamless transition to a paperless environment. Requests for assistance are promptly addressed by a friendly and efficient team of skilled professionals. The shared workspace facilitates the preparation of agendas and handouts in a fraction of time, and last minute changes are easily completed without delay. Two-thumbs up to our EduPortal team!"

-Robert D. Burke, Assistant Superintendent for Business

"EduPortal has improved our ability to manage time. By moving information from one level to the next, in digital format, we can address document revisions and updates in a matter of minutes, rather than hours or days involved in moving paper from one location to the next. "
